Background

In today's dynamic educational landscape, achieving global recognition and excellence is paramount for institutions worldwide. We cordially invite you to join us for an enlightening and transformative Professional Development Workshop on International Accreditations. Our workshop is meticulously crafted to provide academic leaders, accreditation coordinators, faculty members, administrators, quality assurance professionals, industry experts, and government officials with the essential knowledge and practical insights needed to navigate the complex world of international accreditations. This event is planned as a joint workshop by ISBR Business School, AIMS and SEAA.

Organizing Partners

ISBR Business School Bangalore

ISBR (International School of Business & Research) is an institute with International Education Standards with its first campus set up under the aegis of Bangalore Education Trust established in the year 1990. It is the premier Institute for knowledge creation and dissemination that develops potential management leaders for India and the Global Community. ISBR obtained level 2 autonomy from AICTE and is re-accredited by the NBA. The institute has been receiving recognition as the best industry-linked institute by AICTE CII with a platinum ranking every year since 2016.
